

Dr. Anoop Kumar Mittal

Chairman-cum-Managing Director
NBCC (INDIA) LIMITED

Dr. Anoop Kumar Mittal, Chairman-cum-Managing Director of Navratna CPSE NBCC (India) Limited, is an Indian industry veteran with more than 35 years of experience in fields of Civil Engineering, Consultancy & Project Management.

An alumnus of the prestigious Thapar Institute of Engineering and Technology, Dr. Mittal has scripted a glorious journey for NBCC (India) Ltd that saw the CPSE evolving into a construction giant breaking all benchmarks of growth. Under his visionary leadership, NBCC became a Navratna (a rare distinction conferred by Govt. of India), its turnover has nearly doubled and the order book has increased by more than four times. The ingenuity he demonstrates coupled with his extraordinary leadership qualities is reflected in the multi-fold enhancement in market capitalization of the company.

He has steered the company's diversification not only in India but even in the overseas markets. NBCC under him has done significant work in national flagship schemes like Swachh Bharat, Housing for All by 2022, Namami Gange, Smart City and Skill India Mission. In addition, NBCC is designated as the implementing agency for projects under the AMRUT, Pradhan Mantri Gram Sadak Yojna, Solid Waste Management and development work in the North East. Dr Mittal envisions NBCC to be the key implementing partner in the realization of New India by 2022.

A visionary, thinker and a strategist, Dr. Mittal has been instrumental in shaping many Government policies which have resulted in increased efficiency and integrity of the construction sector.

Under Dr. Mittal's guidance, NBCC has brought some sweeping functional, structural and policy changes, including streamlining HR best practices, online appraisal systems, and creating board-level positions to deal with growing work-load, among others, to add value to the company's overall growth. Dr. Mittal is well known for his transformational and people-centric leadership style, which energizes teams to perform and deliver results through positive engagement and a shared vision.

Hailing from a humble background and leading an impeccable and unblemished professional career, Dr. Mittal holds a Bachelor's degree in Civil Engineering and has been conferred "Doctor of Philosophy" (Honoris Causa) by the Chancellor, Singhanian University, by virtue of his attaining eminence in the field of Civil & Construction Engineering. Besides

attending Post Graduation Course in U.K., he has undertaken training in Germany, England, France & Italy, on Trenchless Technology, Sewage Treatment Plant, Solid Waste Management, Building Technology etc.

The proactive and excellent administration of Dr. Mittal has earned him and the company huge appreciation and recognition. The most remarkable amongst his individual awards include:

1. "Honorary Fellowship" of Project Management Associates (PMA), 2018
2. "Distinguished Fellowship" of Institute of Directors (IOD), 2018
3. CEO of the Year by Top Rankers Management Consultants at FORE Top Rankers Excellence Awards, 2018
4. 'Outstanding Contribution in Infrastructure' award at the 1st edition of CNBC-AWAAZ CEO Awards, 2018.
5. Asia Pacific Entrepreneurship Award 2017
6. Standing Conference of Public Enterprises (SCOPE) Leadership Excellence Award (Individual Category) 2014-15 under the category Maharatna/ Navratna
7. Doctor of Science (HonorisCausa) conferred by Confederation of International Accreditation Commission (CIAC)

An accomplished industry veteran, Dr. Mittal is now an obvious choice for many prominent Academic and Professional bodies nominating him in key positions to drive their initiatives. Of these, some significant bodies that he presently represents are:

- **President:** Indian Buildings Congress (IBC) (Term- 2018- 2019)
- **Chairman:** BRICS Chamber of Commerce and Industry (Term 2017-2020)
