

INDIAN BUILDINGS CONGRESS
Mid Term Seminar on Fire Hazards in Built Environment
on July 12-13, 1996 at Roorkee

CONTENTS

TECHNICAL SESSION – I
FIRE SAFETY MANAGEMENT

1. Electrical Fires! Can we not Eliminate Them?
*J.N. Bhavani Prasad, Mohan Swaroop, L.J. Malhotra,
A.K. Roy and S.P. Sehgal*
2. Fire Safety in High Rise Buildings Problems and Solutions
Mahesh Chandra, T.P. Sharma and Suvir Singh
3. Fire Safety Management of Buildings by Structural Fire Protection
S.L. Karunakaran, Jose Kurian and Balraj Chadha
4. Cable-Fire Safety Management in Power Plants
R.K. Jain
5. Safety Management in Explosive Industries
Dr. A.K. Datta and P.K. Chatterjee
6. Some Aspects of Chemical Fires and Their Management
Dr. B.S. Varshney
7. Fire Protection in Multi Storeyed Buildings
V.Suresh
8. Planning Provisions to Prevent Fire Hazards in Multi-Storeyed Bldg in Delhi
Dr. S.P. Bansal
9. Management of Protection Against Fire Hazards in Built Environment
I. Mohan
10. Structural Fire Protection - Codal Provision
S.L. Karunakaran, Jose Kurian and Balraj Chadha
11. Fire Safety Management Through Users Training and Awareness
Er. H.K. Munjal

TECHNICAL SESSION – II
FIRE RESISTANT MATERIALS

12. Fire Rating of Building Materials
D. Ajitha Simha
13. Fire Performance for Door Shutters
S.L. Karunakaran and K. Srinivasan
14. Need of Flame Retardant Textiles in India
Major General V. Badhwar (Retd.) PVSM, VSM
15. Flame Retardant Treatment of Cotton Textile
Har Pal Singh, J.P. Jain and Ilam Singh
16. Fire Protection of Combustible Building Materials
Dr. N.K. Saxena, Dr. Sunil K. Sharma, Suvir Singh and Dr. T.P. Sharma
17. Sprinkler Protection in Highrise Buildings
S.B. Gupta and A.K. Gupta
18. New Techniques for the Study of Fire Bheaviour of Flame Retardant Smoke Suppressant Polymeric Materials
Dr. Sunil K. Sharma, Dr. N.K. Saxena and Dr. T.P. Sharma
19. Performance Evaluation of Materials for Smoke Toxicity
Sahab Singh, J.P. Jain and N.S. Tyagi
20. Evaluation of Building Material for Non-Combustibility : Present Trends and Innovative Methods
A.A. Ansari and N.L. Yadav

TECHNICAL SESSION – III
FIRE PERFORMANCE EVALUATION

21. Approach for Fire Safety Evaluation for High-Rise Office Buildings
Dr. Thiruvengadam, Virendra Kr. Paul and Madhumathy Nair
22. Fire Fighting Management in Bhikaji Cama Bhawan, New Delhi
Deepak Narayan and Ram Avtar Sharma
23. “Calfire”-An Effective Tool for Calculating Risk Due to Fires in Buildings
Dr. A.K. Gupta and R. Kumar

24. Fire Protection Measures in Parliament Library Building
Mohan Swaroop and S.C. Khurana
25. A Case Study on Fire Incident in PDU (Lube Refinery) on June 28,1991
at HPCL, Bombay Refinery
A.A. Raichur
26. Intelligent Fire Detection, Alarm and Fighting Systems
Er. V.K. Jain
27. Fire Hazards in Hydropower Stations-Causes and Preventive Measures
Devadutta Das, H.S. Badarinath and Gopal Chauhan
28. Computerized Fire Detection and Building Security: An Overview
M.P. Singh, R.P. Kulshrestha and K. Ram
29. Automatic Fire Detectors: Operation and Applications in Buildings
K. Ram, R.P. Kulshrestha and M.P. Singh
30. Automatic Fire Detection
Pramod Prakash
