

INDIAN BUILDINGS CONGRESS

Legacy of Trust

NOTICE

Complaints are regularly received from the members, both individuals as well as Institutional, about the non-receipt of the IBC publications and other correspondence, even though the HQ takes every precaution to send IBC publications to each and every member. It is, however, seen that a large number of IBC publications sent to the members by registered post are returned undelivered to IBC HQ. Similarly, it is believed that an even more number of Built-environment and other correspondence, which are sent through ordinary post, do not reach the intended recipient because of the change in address due to shifting or transfer etc.

Similarly, a large amount of information about the IBC activities is sent to the members through e-mail. In this case also, a number of e-mails get bounced due to some reason or the other due to which members are deprived of some important and useful information.

It has, therefore, been decided to update the data base of all such members at the IBC Headquarters.

All such members, who are not receiving the IBC publications or e-mails from the IBC HQ, are, therefore, requested to fill in the following proforma and send it to IBC HQ through e-mail at membership.ibc2022@gmail.com or by post to the **Indian Buildings Congress**, Kama Koti Marg, Sector-VI, RK Puram, Delhi-110022.

All the Chapter President and Secretaries are also requested to ensure that the form is got filled up by all such members of their chapter.

Regards
