

Dear Sir/Madam,

CII- Indian Green Building Council (IGBC) is holding its 20th edition of '**Green Building Congress**' scheduled between 20–22 October 2022 at Hyderabad International Convention Centre (HICC), Hyderabad, Telangana. The theme of event is 'Advancing Net Zero- Buildings and Built Environment'

INDIAN BUILDINGS CONGRESS is supporting the IGBC's 20th edition of Congress **WITHOUT EXTENDING ANY FINANCIAL ASSISTANCE** to the council and to the IBC members attending the event.

The key objectives of the 20th Green Building Congress are to further fast-track the green building movement in India and provide a platform for building sector stakeholders to discuss, share and showcase green building products and technologies and explore new business opportunities.

Green Building Congress 2022 (GBC 2022) would feature 3-day international conference and parallel 3-day Expo showcasing the latest Green Building Technologies, Products & Services. The theme for GBC 2022 is "Advancing Net Zero- Buildings and Built Environment"

IGBC has also invited members of IBC to attend the event and make the best use of the national and international experts on green built environment.

You may consider attending the event as per the terms and guidelines of IGBC. For any further information or assistance members may contact Mr Himanshu Shah, Deputy Director, CII-(IGBC) at himanshu.shah@cii.in or contact him on +91 96872 63050 may visit the event website link www.greenbuildingcongress.com for registration.
