## INDIAN BUILDINGS CONGRESS

### 28<sup>th</sup> Annual Convention & National Seminar on “Viksit Bharat 2047 and Infrastructure Development”

Indian Buildings Congress (IBC) was founded on 1st September 1992 and registered as a Society on 29th March 1993, with its headquarter at New Delhi. The vision of the organization is a built environment, which is affordable, aesthetic, environment friendly, cost effective & competitive technology driven Built Environment capable of meeting needs of the Indian masses. In order to meet its objectives, IBC is striving continuously to bring all professionals connected with built environment on a single platform so as to form collective opinion on subjects related to Building Industry and present for consideration of the Government. Over 7500 Individual Members and over 98 Institutional Members, both in the Public and Private Sector, are members of IBC.

#### THE CONVENTION:

IBC will be holding its 28<sup>th</sup> Annual Convention & National Seminar at Nagpur, Maharashtra on 12<sup>th</sup>-14<sup>th</sup> September 2025. The Annual Convention, apart from conducting business like holding of AGM, Governing Council Meetings will also include a Seminar on “Viksit Bharat 2047 and Infrastructure Development” along with sub-themes-(i) Challenges, Opportunities & Development in Urban Areas, (ii) Technology and Innovation Excellence, (iii) Advanced Multimodal Infrastructure and (iv) R & D for Frontier Technologies for the Future. Members of the IBC and professionals of Government Departments, Housing Boards, Development Authorities, Town & Country Planning Organisations, State PWDs, Teaching & Training Institutes, Technical Universities, Builders, Developers and all others interested in building management are cordially invited to participate.

#### OBJECTIVES OF THE SEMINAR:

Infrastructure is the key to induce development of any state. Infrastructure creation in all about building sustainable assets for the nation. The focus of present days is “Viksit Bharat. Over the last decade, tremendous efforts have been undertaken to enhance infrastructure across the country through development of Metros, roadways, highways, airways, railways, waterways, power projects, drinking water supply, urban infrastructure, all of which is hole of the key for the growth of the region. These initiatives have positively impacted the lives of the people in the state, leading to a surge in industries and economic activities. Considering the huge development activities in India. The topic of seminar has been selected to discuss and overcome all the hurdles/challenges which may be coming along with their probable solution to achieve the sustainable development activities in more effective and economic way.
