Indian Buildings Congress

Executive Director Position Available

Are you a visionary leader with a passion for shaping the Built Environment of India? The Indian Buildings Congress invites applications for the prestigious position of **Executive Director**. If you have a minimum of 25 years of service and retired as a Director or Superintending Engineer from a government organization, and you're driven by innovation and excellence in the Built Environment sector, this is the opportunity you've been waiting for.

About Us: The Indian Buildings Congress (IBC) is a premier organization dedicated to advancing the Built Environment in India. For over decades, we have been at the forefront of policy advocacy, knowledge dissemination, and skill development in the field of construction and infrastructure development. As an Executive Director, you will play a pivotal role in shaping the future of the Built Environment sector in the country.

Key Responsibilities:

- Provide strategic leadership and direction to IBC in achieving its mission and objectives.
- Promote innovation and sustainable practices in the Built Environment.
- Collaborate with industry stakeholders, government bodies, and other organisations to drive positive change.
- Oversee the day-to-day operations of IBC and ensure its financial sustainability.
- Implement and enforce the "Service Rules of the Employees of Indian Buildings Congress - 2009."

Qualifications:

- A minimum of 25 years of service in a government organization.
 - Age : Candidates borne before 01.01.1960 are not eligible.
 - Retired as minimum a Director or Superintending Engineer.
 - Exceptional leadership and communication skills.
 - A deep understanding of the Built Environment sector.
 - Visionary thinking and the ability to drive change.
- 

How to Apply: If you meet the above qualifications and are eager to lead IBC into a new era of excellence, please submit your application, along with your CV, to info@ibc.org.in by **24th November 2023**.

Benefits:

- Competitive compensation package.
- The opportunity to make a lasting impact on the Built Environment in India.
- Collaborative and dynamic work environment.
- Contribute to the nation's infrastructure and construction development.

Join us in our mission to build a sustainable and innovative Built Environment for India's future generations. Apply now and be a part of the change.

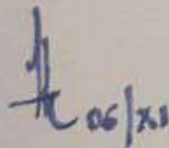

Deadline for Applications: 24th November 2023.
